Mercedes Sprinter and VW Crafter Van Door Conversion

No more annoying opening and closing of sliding doors in the middle of the night.

This replaces the sliding door with fibreglass panel and caravan style security door fitted with triple lock and fly screen, with a multi brush buffer seal to keep insects out.

Will fit post 2007 Mercedes Sprinter and VW Crafter.

Supply and fitting to standard roof height (White variant vans)*\$4600.00

Supply and fitting to extra high roof height (White variant vans)*\$4900.00

Other colour vans, door panels to be sprayed painted and quoted a month before booking.

*This does not include window, window blackout, internal lining and step.

Additional cost if cabinetry has to be removed, altered & refitted if needed.
